

PROPOSED AMENDMENT to the
2008-2012 TRANSPORTATION IMPROVEMENT PROGRAM

Applicant: Broome County, Department of Public Transportation
Project: Electronic Mobility Management System
Fund Source: Federal Transit Administration, New Freedom program (\$5317)
Cost: \$243,006 [\$194,405 federal, 48,601 local]
Schedule: Federal fiscal year 2010

Project Description:

Broome County proposes to install GPS locators on all fixed route buses and paratransit vehicles, and implement an “automated vehicle locator” system. This will improve the efficiency of dispatch of paratransit services (BC Lift and BC Country), and also provide real time information on bus location to travelers which can improve reliability and predictability.
